SUBJECT: MANILA OCEAN PARK AS AN EDUCATIONAL DESTINATION

Manila Ocean Park as an ideal educational facility advances the conservation and preservation of marine species.

It offers the following major attractions: **Oceanarium** is a visual spectacle of colorful fishes. Its diversity is both an educational and amusing display. **Marine Life Habitat** showcases the lovable sea lions from South America. They provide an educational and entertaining show for the young and old alike. Dancing sea fairies, known as the **Jellies**, features different jellyfish species. The **Musical Fountain Show** lights up the night sky with a grand display of water, music and laser light presentation. Close interaction with marine creatures are best experienced in the **Fish spa** and **Glass Bottom Boat Ride**. The newest attraction is the **Penguin Quest -Trails to Antarctica**, it provides information on the mysterious continent of Antarctica and personal encounter with penguin species.

It also offers **Ocean Camp** that provides team building activities to develop camaraderie among team members. It also orients the group regarding survival techniques and creates physical agility and mental ability.

The Department of Education Region 3 is endorsing Manila Ocean Park to all private and public schools, colleges and universities, Boy Scouts and Girl Scouts of the Philippines as well as Young Men and Women Christian Association as an educational destination.
