Officer In Charge, Office of the Regional Director
DepED Region III

Sir:

I would like to inform your office of the successful implementation of PROJECT TALINO because of the partnership between DepED Tarlac Province and Premium Health Provider Int'l Inc. (PHP).

Project TALINO (Training young Achievers to become effective Learners and Introduce right Networking and entrepreneurial Oppportunity for all) is a training program that aims to improve thinking skills, promote health and wellness and introduce financial literacy among learners, teachers and parents.

Out of 413 schools who conducted the **TALINO SUMMIT**, a huge turn-out of learners and teachers benefitted from the training/seminar cum spelling/quiz bee patterned program with improved results.

Some of the noteworthy accomplishments of TALINO partnership are as follows:

1. Students had improved class performance because of thinking skills and high order thinking strategies and techniques introduced to them.
2. Financial literacy and awareness of saving money improved among students
3. Iba Elementary School obtained a Mitsubishi L300 FB and a Multi Media Package because of the partnership through an Income Generating Project (IGP) with the PTA, using the products of the company partner.
4. Two TALINO speakers (Teachers) acquired brand new car by availing an investment options offered to teachers by the company partner.
5. Through this partnership the Division Office of Tarlac Province was able to purchase a brand new Toyota Innova E as a service vehicle of the Division.

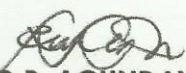

On top of these accomplishments, PHP will hold the **REGIONAL TALINO SUMMIT AND LEADERSHIP CONGRES (Quiz and Spelling Bee competitions)** on **March 18, 2016 at the Philippine Arena , Bocaue, Bulacan.**

The congress includes series of seminars that include the likes of well-known inspirational speakers as Mr. Bo Sanchez, Ms. Chinkee Tan, and among others. The activity is to be highlighted by a Social and Concert Night.

Participants to the congress are school heads, teacher-coaches, parents and pupils/students. An amount of **P 999.00 shall be charged as registration fee**, with free **one (1) bottle of Intellifood Maxx**, the leading brain booster in the country, to cover for the honorarium of speakers, cost of venue, and other expenses for the training.

We strongly believe that Premium Health Provider Int'l. Inc (PhP), with its flagship project TALINO can be a strong partner in improving academic performance and school facilities necessary to effect positive change in DepEd Region III.

Very truly yours,

ROGELIO B. AGUNDAY Jr., Ed.D.
Project TALINO Proponent
