Dear Madam;

Quipper School is so pleased to have the opportunity of being your partner. As a provider for online supplementary tools for education, we would gladly be happy to respond to your needs to further advance the educational system within your area of jurisdiction.

Our company is more than committed to offer it's free services in a long term basis.

Below is the proposal of partnership:

**PROGRAM TITLE** : Quipper School Intensive Adoption Program for San Jose del Monte City  
**BENEFICIARY** : Teachers and Students of San Jose del Monte City  
**TIME FRAME** : School Year 2015 - 2016

### I. OBJECTIVES

Quipper School with its aim to help improve the Philippine educational system, would like to seek partnership with the Department of Education by means of adopting its technology as a supplementary tool for learning.

Quipper is offering its available contents for teachers and students specifically on the field of Math, Science, English, Filipino and Araling Panlipunan. So they could use them as part of their learning materials and further improve the student's proficiency level in those particular subjects.

As a supplementary tool, this partnership will also be of big help in addressing the needs to facilitate the learning of the students especially during calamities and other fortuitous events that happen yearly which affect school's operation.

### II. BENEFITS

- a.) Quipper School will be offering the services for free
- b.) Reliable content for Math (grade 4-10), English (grade 4-10), Science (grade 4-10), Filipino (grade 4-10) and Araling Panlipunan (grade 4-10).
- c.) We will provide trainings, seminars and consultations for the students and teachers so they will

know how to make use of the services.

d.) Since our services are online based, teachers can save their time by just making assignments especially during weekends or any time.

#### I. REQUESTS

a.) During the implementation of the programme, may we humbly request to use your facilities intended for trainings, seminar and consultations? It would be perfect then if there's a good internet connection.

b.) Quipper school will be conducting school visits in the area to conduct trainings / seminars / consultations to facilitate learning. Related to this, may we ask an endorsement letter or memo? So we may have a legal identity and present it to the school principals or any authorized personnel in the school.

Looking forward in this field of interest and endeavor. Thank you and more power.

Best regards,

  
Ryan C. Guerrero
