Dear Ma'am,

Good day.

This is to endorse the film "Mga Batang Payatas (Nasan ang Pangarap)" produced by **Shekinah Film Production** in your good office. The film touches the lives of young ones who strive hard to fulfill their dreams , which is to finish their studies no matter how difficult life is. We are hoping that through this film, pupils will learn to value the importance of education.

Your favorable response in our request is highly appreciated.

Thank you and God bless.

Sincerely Yours,

  
Evelyn Domingo
