Madam,

Warm greetings!

We believe in your thrust of providing children with different learning opportunities inside and outside the usual classroom setting, Shekinah Travel and Tours would like to bring a functional and educational activities which will motivate the students to study further.

Guided by this principle, our company would like to bring a simple yet interesting activities for the school year 2015-2016 and give the students the greater appreciation of each theories and principles that can be experienced. The school can choose any of the following:

1. Science in Motion
2. Math Magic
3. Kulturang Pinoy
4. Spacefest
5. World of Wonders
6. Different kinds of Mobile Educational Activities

Thank you and hoping for your kind consideration because we believe that we are one with you in this endeavor of helping students in giving worthwhile activities which will complement classroom lectures and discussion.

Sincerely yours,

MARYGLOR FRIA
Coordinator
