Dear Madam;

Georgia College is a private educational institution that was established last June 2011. We are committed to uphold world class quality of education that is at par with the ASEAN standards. We make sure that our graduates are competent enough and will have bigger opportunity to land on a job with our partner establishments under the Villar Group of Companies. We foresee our students will become Great Thinkers, Great Communicators and most of all Great Leaders.

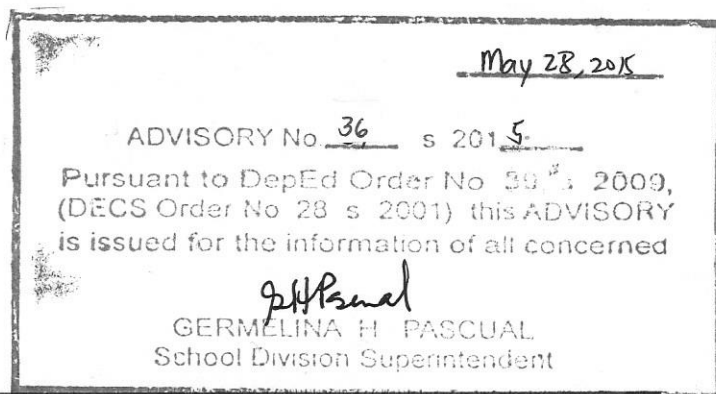

It is within our vision-mission to promote and support activities in line with the three areas of discipline in education such as Academics, Arts and Athletics. In line with this, we would like to announce that our College is offering FULL SCHOLARSHIP of three categories to high school graduates who (1) belong to top 20 of their class; (2) exceptional athletes in individual sports who represented their school in different competitions and won; (3) academically deserving but financially challenged (parents annual income is below Php120,000). This wonderful opportunity would be an avenue to help out graduates land on a good job thru the quality education and training that Georgia College will be inculcating to them. Thus, we would like to seek for your endorsement to the public schools in San Jose Del Monte to invite possible applicants for the said scholarships.

We will greatly appreciate a positive and speedy response from you. For further questions and clarifications, you may call the undersigned thru Landline **(044)769-1066**, Cell phone **0915-6115309, 0923-9373817**, or email at christian.dinosa@georgia.edu.ph. You can also drop by the school anytime between 8:30AM and 6:00PM, Monday to Saturday. We are located at Northwinds Resort, Palmera Homes, Brgy. Kaypian, San Jose Del Monte, Bulacan.

Thank you very much in advance and may God bless you more in the coming years.

Respectfully,
