### **GERMELINA H. PASCUAL**

School Division Superintendent  
DepEd Division Office  
Central School, CSJDM, Bulacan

Dear Madam Pascual:

In line with the **Health and Education Programs** of our City Mayor Reynaldo S. San Pedro, the City Population Office is currently conducting seminars entitled "**Toga Muna Bago Traje de Boda**" and "**Risk of Teen-age Pregnancy and Early Marriage**" in our Public High School. Said activity aims to make the students realize on the importance of finishing college, to reduce incidence of pre-marital sex and unwanted pregnancies, to equip the students with the necessary knowledge and skills for them to act responsively in achieving their life goals, and to promote information that can encourage positive life choices to help them grow into responsible and productive citizenry.

With this regards, we are asking your full support and cooperation on this education program for our youth. Herewith attached is our office schedule on selected Public Secondary level for the month of July 2015.

Thank you very much! Mabuhay po kayo!

Respectfully yours,

  
**VIOLETA C. CADIZ**  
City Population Officer
