PROF. PABLO B. DANA O – National Chairman/President

July 30, 2015

DR. GERMELINA H. PASCUAL

Superintendent
City Schools, Division Office
San Jose Del Monte City, Bulacan

Dear Dr. Pascual :

We are officially forwarding to your office a copy of the DEPED ADVISORY, Central Office, Pasig City for the KKC SPEEDMATH PROGRAM. It includes the copyright registration ownership of PROF. PABLO B. DANA O on Mental Magicmath and Kamay Matematika Para sa Elementarya.

Speedmath program is fun, fast and fascinating tips and techniques in solving mathematics problems for Preparatory, Elementary and High School Levels.

In order to carry out this program in San Jose Del Monte City, we are requesting from your office a written advisory and/or approval for the promotion of the Speedmath program. It is understood that we will abide by the provisions stated in DEPED Order No. 9, s. 2005, that participation of public and private schools shall be subject to the no-disruption-of-classes policy. Henceforth, we do it on Saturdays and appropriately approved by the parents and/or guardians themselves.

We charge only P30 per pupil/student per year for public schools. After three (3) years of program implementation, the Speedmath program shall be turned-over to the public schools for free. For private schools, we ask a fee of P100 per pupil/student per year. Similar privileges are accorded to what the public schools enjoy. This is enough to cover the salaries and miscellaneous expenses for our trainers and supervisors.

Your urgent release on the written DEPED **DIVISION ADVISORY** for San Jose Del Monte City is hereby desired.

Very truly yours,

PROF. PABLO B. DANA O

SPEEDMATH PROGRAM

The KKC Speedmath Center Philippines, Inc. announces its *Speedmath Program*.

The Program aims to:

1. Develop and enhance the pupils and students' self-confidence because of the speed and accuracy with which they will do basic Mathematics operations and solve higher Mathematics problems; and
2. Give them a headstart in Mathematics in preschool, grade school, and high school.

It has the following methodologies:

1. *Kamay Matematika* for Elementary Pupils; and
2. Mental Magicmath for Secondary Students

The target participants to this program are the pupils and students from both public and private elementary, secondary schools and tertiary institutions nationwide.

Participation of both public and private schools shall be subject to the no- disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
