 - b. encourage students to strive for excellence in Mathematics;
 - encourage mastery of basic mathematics skills;
 - d. discover mathematical talents among the students;
 - develop the values of hard work, perseverance, honesty, teamwork and sportsmanship; and
 - provide students with opportunities in leadership and cooperative undertaking.
- Enclosure No. 1 contains the contest mechanics.
- Enclosure No. 2 is the list of qualified schools for the Division Orals.
- Enclosure No. 3 is the list of Merit Certificate Awardees.
- Principals/OICs are encouraged to give their usual support to ensure the success of the said activity.
- Wide dissemination of the content of this Memorandum is earnestly desired.

DR. ESTELITA G. PINEDA, CESO V Schools Division Superintendent

Metrobank-MTAP-DepEd Math Challenge

"Moving Forward Through Excellence in Mathematics"

Mechanics of the Oral Competition

- Each Oral Competition, whether team or individual, shall be written-oral contest.
- Each team/individual will be provided with slips of paper for the answer to each question. Before the first question, they will write their team/individual identification on each slip.
- There shall be 20 questions: 10 fifteen-second questions worth (2) points each, 5 thirty second questions worth (3) points each and 5 one-minute questions worth (5) points each for a total of 60 points.
 - 3.1 The 15-second questions are to be answered mentally. There will be no writing anywhere, neither on paper, the table, etc. The team, of two, will work together as one to discuss their answer to the question. They may start discussing their solution after reading of the questions.
 - 3.2 For the 30-second questions, scratch paper will be provided for each team-contestant. Contestants may begin solving as soon as they wish.
 - 3.3 For 1-minute questions, a copy of the questions will be provided for each team/individual. Scratch paper will be provided.
- The quizmaster will read each question twice, after which he/she gives the GO signal. The timing starts when the quizmaster gives the GO signal.
- Answer will be written on the official answer slips provided. As soon as the buzzer rings, everybody must stop writing.
- Proctors will collect the answer slips and give them back to the judges who assort them into two sets: those with correct answer and those with wrong answer.
- One of the judges will announce the teams with the correct answer. The scorers record the points obtained by each team for each correct answer.
- Answers must be given complete with units and to the required accuracy. However if the unit
 is already given in the way the question is asked, it need not be given in the answer.
- The teams will be ranked according to their total score in the three parts to determine the winners.
- 10. In case of a tie among any of the teams vying for the first three (3) places, a set of 3 questions will be given to break the tie, one from each category of questions. If the tie is not broken after the three questions, "do or die" questions will be given.
- 11. The same Mechanics will be followed for the individual contest.
- 12. COMPLAINTS OR CLARIFICATIONS:
 - 12.1 Only the official contestants may raise a complaint or clarification.
 - 12.2 Complaints on a given question should be made before the next question is asked. This should be directed to the Chairman of the Board of Judges.
 - 12.3 Responsible for settling all questions, including protest, which may arise in the course of the competition
 - Elimination Round to the Division Finals Department of Education (DepEd)
 - Regional Finals Mathematics Teachers Association of the Philippines, Inc. (MTAP)
 - National Finals Metrobank Foundation, Inc. (MBFI)

ADDITIONAL GUIDELINES FOR THE ORAL COMPETITION

A. For the Team Competition, each team will receive stapled piece of paper on which the team answer will be written. There will be as many pieces as there are questions for the section of the test; 10 pieces for Part I and 5 each parts II and III. Before the start, the name of the school or whatever means of identification has been decided by the Center is to be written on each sheet.

After the last questions for each section, the score of each team for the section is taken. At the end of Part III, the subscores are added to get the over-all team scores. The teams are ranked according to this score. Additional scores for breaking a tie are not included.

The <u>top three</u> teams will be declared the winners and be awarded medals. Certificates will be given to all participants, their coaches, the judges, and all those who helped. Special certificates will be given to the schools of the winning teams. For both <u>elementary</u> and <u>secondary levels</u>, the <u>top team</u> for Grade 6 and 4th year qualify to take part in the Regional Finals.

- B. Part I The ten 15 second Question in this section are to be solved mentally. There will be no writing anywhere, neither on paper, the table, their palms, etc.
- The Quiz Master will read the problem twice. After the second reading, he/she says Go. The timing then begins.
- Any member of the team may write the answer. Each team may have only one answer, which may
 be a joint answer. Answer must be complete with units this is necessary. However, if the <u>question</u>
 includes the unit, it need not to be given.
- Examples: a. A rectangle is 10 cm by 8 cm. What is the area? The answer for this, which is 80 cm², must include the unit as it is not included in the question.
- b. A rectangle is 10 cm by 8 cm. By how many <u>square centimeters</u> is it larger than the area of a square of the side 8 cm? The answer "16" need not include the unit. However, if it is included, the answer is also correct.
- When the time ends, the TIME KEEPER gives the signal. All must stop writing.
- Proctors immediately collect all answer sheets and gives them one of the judges who separates the
 correct answer from the wrong answers. The chair among the judges announces the teams that
 got the correct answer.
- Each correct answer merits 2 points.
- In case there is any question; it must be directed to the Chairperson of the board of judges before
 the next question. It may be raised only a contestant. The DECISION of the judges is final.

Part II - 30 Second Question: Each contestant will be given scratch paper on which to solve the problems. Solving on scratch paper may begin as soon as the quizmaster starts reading the problem.

- The other rules for part I hold except that for writing.
- 2. Each question is for 30 seconds from the time the signal is given.

Part III - 1 minute Questions: In addition to the rules in Part II, each team will be provided with a strip of paper on which the problem is printed so that they can refer to it again. Each question is for I minute.

- C. <u>TIES</u> In case of a tie among any of the teams vying for the first three places, a set of three (3) questions will be given to break the tie. If the tie is not broken, a "do-or-die" question will be given. In this type, any team who has an answer give it to the judges as soon as it is written. The other team <u>should</u> continue writing as the problem may be continued until an answer is obtained. The judges may decide to change it if they think no team may get the answer.
- * These Guidelines give additional details to those given in the Mechanics of the Oral Competition.
