DR. GERMELINA H. PASCUAL, CESO V
Schools Division Superintendent
CITY SAN JOSE DEL MONTE DIVISION
San Ignacio St., Poblacion, CSJDM, Bulacan

Dear Dr. Pascual:

Good day!

The Department of Environment and Natural Resources-Bulacan is conducting series of environmental education lectures/symposia to various public schools to raise public awareness on different environmental issues and concerns.

As part of Information, Education and Communication (IEC) Campaign, the lectures/symposia aim to increase the environmental consciousness and understanding of the students to address current challenges. Distribution of informative and appropriate reading materials such as flyers and the conduct of film showing and lecture that focus on biodiversity conservation, climate change, and solid waste management will help regulate environmental degradation.

In this regard, we would like to inform you that we will be holding said lectures/symposia to some schools in the City of San Jose del Monte this year. Thus, **we would like to request for a letter-endorsement that indicates your support to our IEC campaigns** which we can present to School Heads in case we coordinate with them.

For inquiries, kindly contact our Provincial Information Officers, Virginia S. Cruz or Marylyn A. Budac, at telephone number (044) 794-7090 or through mobile number 0922-5488473 or you may email us at denr_bulacan@yahoo.com.

We look forward to establishing stronger ties with you as we advance the cause of environmental advocacy here in Bulacan. Thank you very much and warm regards.

Very truly yours,

CELIA D. ESTEBAN
PENR Officer
