DIVISION MEMORANDUM

No. 15 s. 2015

To : Public School District Supervisors
Public Elementary and Secondary School Heads/OICs

LIBRARY IN EVERY SCHOOL PROJECT (LESP)

1. A library is an indispensable facility in every school, college or university. It is where the pupils'/students' independent reading, research and study skills are first nurtured and developed.
2. Thus, this Office acknowledges all the schools with functional libraries and encourages those that do not have one yet to put up their own through the Library in Every School Project (LESP).
3. A basic training on library science will be conducted by this Office this summer to equip the librarians/library hub coordinators with the necessary skills in managing school libraries.
4. The participation also of the librarians/library hub coordinators in national and international seminars, trainings and conferences should also be supported.
5. At the end of the current Calendar Year, this Office shall give recognition to schools that have the most functional and fully equipped libraries.
6. Immediate and wide dissemination of this memorandum is desired.
