Dear Dr. Cruz:

Greetings!

**PROLAB Diagnostics Co.**, a DOH-accredited facility with many years of experience and a good track record in serving the Department of Education, would like to express its intention to be your healthcare partner in providing the medical and laboratory requirements of the teachers in your division.

Because we believe that teachers deserve extensive laboratory and medical examinations that will determine their state of health, PROLAB pioneered in offering comprehensive examinations at a very affordable price more than a decade ago.

Thus, we are pleased to submit our proposal for the medical examination of teaching and non-teaching personnel and staff of your Division for 2020.

PROLAB has been serving several Divisions in Region III including Nueva Ecija, Pampanga, Zambales, Bulacan, San Jose, Munoz and Cabanatuan, among many others. We have also served the Regional Offices of Region 3, Region 4A and Region V.

The **COMPREHENSIVE** package examination for teachers include:

- Fasting Blood Sugar
- Chest X-ray ( 11" x 14")
- CBC ( Hemoglobin, Hematocrit )
- Urinalysis
- Blood Uric Acid
- Lipid Profile ( Total cholesterol, Triglycerides )
- BUN Kidney Test
- SGPT
- ECG for 40 years old and above

**Schools Division Referral No. 028, s. 2020**

Respectfully referred to the school heads of public elementary and secondary schools and all others concerned, for information and guidance.

**MERLINA P. CRUZ, PhD, CESO VI**  
Officer-in-Charge

Office of the Schools Division Superintendent

**SPECIAL PACKAGE PRICE = P 480.00**

**Other optional tests are available upon request.**

PROLAB Diagnostics is manned with competent medical personnel and equipped with modern facilities and 3 mobile clinics.

We can bring the services at the doorstep of your teachers. This way, results will be standardized which assures you of better health management and more efficient records retrieval.

Should you have any further query, we shall be very glad to discuss it with you.

We are looking forward for a continued partnership with you.

Thank you very much.

Very truly yours,

### MISSION-VISION

PROLAB DIAGNOSTICS is committed to become a leading medical facility that is responsive to clients and with a high standard of professionalism and ethical conduct among satisfied and well-trained personnel.

It envisions to become a well-known medical center offering cost-effective yet quality health services to its valued clients in particular and the Filipino people in general.

### PROLAB VALUES ITS PEOPLE

PROLAB DIAGNOSTICS believes that its human resources are the most valuable assets and only through them that the company can continue its growth.

The continued development and training as well as the well-being of personnel are the main concerns of the company and that management will strive not only to maintain a healthy working environment but also provide personnel satisfaction and pride that he is a member of PROLAB Family.

PROLAB DIAGNOSTICS, now on its 16th year, is a medical facility with a wide-range of laboratory and diagnostic procedures designed to cater the rising demand for quality and affordable health services.

It is duly registered with the Department of Trade and Industry (DTI) & Securities and Exchange Commission (SEC) and licensed by the Department of Health. PROLAB is accredited by major Health Maintenance Organizations (HMOs), various government agencies as well as different civic and church-based organizations. Currently, it is serving hundreds of corporate accounts ranging from government to private entities.

Conceptualized by a tandem of medical experts with decades of related experience, PROLAB formally commenced its operations on January 8, 1996. It is backed-up by noted medical personnel from Makati Medical Center, Cardinal Santos Medical Center, San Juan de Dios Hospital, Rizal Medical Center, St. Luke's Medical Center and Medical Center Manila, aside from a pool of noted private medical practitioners in various fields of specialization.

Due to consistent increase in demand of its services through the years, PROLAB opened its Quezon City branch on August 9, 2003 where its Drug Testing Center is located. This is in addition to the three (3) state-of-the-art mobile units being utilized in serving PROLAB's clients on-site.

PROLAB has been cited by the Department of Health in its Proficiency Testing with EXCELLENT RATING for garnering a 100% mark...a testimony to the company's years of commitment to quality healthcare.
